Council Room Oct 21st 1887.
Regular meeting of the City Council. Present. Mayor Lightbody, Councilmen Dolan, Johnson, Blocker Capels, Freudenthal, Detwiler, City Attorney Coldwell. City Marshal White, City Clerk Beall.
Minutes of preceding meeting read and approved. The following veto of the Mayor read. To wit:
State of Texas
City of El Paso

To the Hon. Board of Aldermen of the City of El Paso.
Gentlemen.
I herewith return with my veto and disapproval the resolution of the City Council passed at its last regular meeting, temporarily fixing the Salary of the Street Commissioner at One hundred dollars per month from

the time of his election until the completion of the macadamizing of El Paso Street.

The current expenses of the City have been largely increased in the last two months and I do not feel authorized to sanction the imposition of an additional burden upon the public, when the City Engineer by far the highest paid Officer of the City, could and should perform all the duties that for the last few weeks engaged all the attention of the Street Commissioner.

Those duties are in harmony with the professional education and experience of an Engineer and should be discharged by none other than the man selected to fill the responsible office of City Engineer, I therefore veto and disapprove of the resolution.

(Signed) R. C. Lightbody
Oct 21st 1887. Mayor.

Motion Secd & Carried, that the veto of the Mayor be received and filed.

The City Attorney granted further time in the matter of the case of Crosby vs City.

Regular meeting of the City Council.
Present Mayor Lightbody. Councilmen. Hague Blacker. Johnson. Capels. Frenderthal. Schuster Detwiler. City Attorney Caldwell. City Marshal White. City Clerk Beall.
Reading of preceding minutes dispensed with.
Report of Marshal as to condition of wood side walks. awnings &c on El Paso and San Antonio Streets read. and referred to Comte on Streets & Grades.
Motion Seed & Carried. That the City Atty draft an ordinance governing side walks on El Paso & San Antonio Streets.
Motion Seed & Carried. That the City Assr & Collector. be authorized to collect for each survey 25 X 120 feet 4 stakes made by the City Engineer for private parties the sum of Ten dollars.
The following ordinance read & adopted to wit:

Sewerage & Drainage of El Paso.

House connection Ordinance.

Sec 1 Be it ordained by the City Council of the City of El Paso. All connections of private

drains or sewers with the public sewers of the City of El Paso shall be made in accordance with plans and specifications approved in writing by the City Engineer, a copy of which shall be kept on file in his office.

Sec 2 No connection shall be made with any public sewer, nor shall any opening be made into any public sewer except by a mechanic regularly and duly authorized by the City Council to perform such work, holding written authorization from the City Engineer for the special connection or opening in which he shall be engaged

(Amended P. 169)

Sec 3 Applications for licenses shall be made to the City Engineer on blanks provided for that purpose.

(Am. p. 169)

Sec 4 Every person to whom a license is granted shall at the time of receiving the same file a bond approved by the Committee on Streets in the sum of 500.$ conditioned to indemnify the City of El Paso for all damages, direct or indirect, arising from work done by the licensee in connection with house drains and the public sewers.

Sec 5 Applications for permits to connect with the sewers or to make openings into the same for any purpose, must be made in writing by the owner or duly authorized agent of the property to be drained, the location & ownership of which must be described therein, this application shall be countersigned by the licensed mechanic by whom the work is to be done. It shall be submitted to the City Engineer at least forty eight hours before the street or alley is to be opened for the work.

(Am. p. 170)

Sec 6 All permits to connect with the sewers shall be given with the express condition that the Committee on Sewers may at any time before the work is completed modify and amend the same, and no

party interested shall have a right to claim damages in consequence of such permit being revoked or annulled.

Sec 7 The licensed mechanic engaged in any work provided
(Ann. 6/69) for by this ordinance shall be held responsible for any injury to any sewer or to the public street or other public or private property, and for damages to persons resulting therefrom. He shall restore the street to the satisfaction of the City Engineer and shall make good any settling of the ground or pavement that may result from his works.

Sec 8 Every soil pipe and private drain connecting with any sewer, whether of cast iron or earthenware must be sound and impervious in all its parts and jointed in the best manner. Caskets must be used in all cases. No other metal than cast iron at least as heavy as soil pipe "Extra Heavy" will be allowed, and all joints in iron pipes must be of well caulked lead. Cement pipes may not be used. Earthenware pipes of the best quality may be used and these must be jointed with fresh strong cement mortar carefully applied over a sufficient gasket, great care being taken to make the under part of the joint absolutely tight. All pipes connecting soil pipes or other waste pipes with the public sewer must be laid on the sound and firm bottom of a trench at least two and half feet deep.
The vertical pipes and connection pipes above that depth to be in all cases of cast iron.

Sec 9 The pipe connecting with the sewer must be in all cases (whether the horizontal drain or the vertical soil pipe) from the sewer to a point above the roof four inches in diameter. It is recommended that to secure better ventilation the top length of each soil pipe be six

inches in diameter

Sec 10 No trap or any manner of obstruction to the free flow of air through the whole course of the drain and soil pipe may or shall be allowed, and any mechanic who shall directly or indirectly place, make or cause or allow to be placed or made any trap construction or other obstacle anywhere in the course of such pipe in addition to the penalty herein-after prescribed, shall forfeit his license, and shall be ineligible to license for one year, and any other person offending as above shall be subject to the penalties of the ordinance, and shall in addition pay the costs of replacing the wrong done.

Sec 11 No open gutter, cesspool, privy vault, cistern surface drain, cellar drain or rainwater conductor shall be connected with any public sewer, or with any private pipe or sewer connected with the public sewer.

(Amd 5/69)

It shall be unlawful to injure, ~~break~~ remove or open any portion of any manhole flush tank, inspection pipe or any other part or appurtenance of the public sewers except with the written consent of the City Engineer first obtained as above provided for

Sec 12 Every water closet, sink, basin or other vessel connected with any soil pipe or drain must be separated from it by a trap offering an obstacle to the passage of air equal to not less than two inches depth of water.

No such vessel connected with a soil pipe or sewer shall have an outlet more than three & half inches in diameter

Sec 13 It shall be unlawful for the owner or occupant of any building, any portion of which is used for any purpose during any portion of the day, to

fail to have in it or in connection with it at least one water closet connected with the public sewer, thirty days after notification from the City Health Officer, and to fail to have such water closet suitably arranged for use as a urinal unless a separate urinal is provided.

Also for the owner or occupant of any building in which food is cooked or clothing is washed, to fail to have a suitable sink, slop stone or hopper for the reception of waste water, provided however that if the water closet is of a kind suited to such use it may receive the waste water and the sink, slop stone or hopper may be dispensed with.

Also to use or cause to be used any house drain for any other purpose than those specified in this ordinance except by special written permission of the City Sewer Commission.

Sec 14 It shall be unlawful for any person to throw or allow to be thrown or deposited on the surface of the ground or in any ~~well~~ or vault in or under the surface of the ground within the boundaries of the Sewer System of the City whether public or private except in the proper and necessary manner of the soil, any water which has been used for domestic purposes or any liquid or solid filth or excreta or urine.

Also to throw or deposit or cause or permit to be thrown or deposited in any vessel or receptacle connected with a public Sewer, any garbage hair, ashes, fruit or vegetables, peelings or refuse, rags, cotton, cinders or any other matter or thing whatsoever

except for urin. the necessary closet paper. liquid house slops and kitchen waste, and it is hereby made the duty of all citizens to aid the police in bringing offenders against this ordinance to punishment, and also to prevent breaches of the same.

Sec 15 Any person or corporation offending against either of the Sections of this ordinance shall be subject to a penalty of not less than 5.$ nor more than 100$ or to imprisonment for not less than five nor more than thirty days, or by both fine and imprisonment for each and every offence.

Sec 16 The City Health Officer shall have power to stop and prevent from discharging into any public sewer any private drain through which substances are discharged, which are likely to injure the sewers or to obstruct the flow of the sewerage.

Sec 17 This ordinance shall take effect immediately.

Marshals report for month of September approved by Finance Comte and on motion Secd & carried the same ordered filed.
