

What type of challenges do you face during an emergency?  
Ex: information, transportation, financial, etc.

# SEEKING COMMUNITY PARTICIPANTS FOCUS GROUP

We want your  
feedback!

The City of El Paso Department of Public Health is seeking participants for various focus groups; to explore issues related to access of information and services during emergencies.

**All participants must be 18 years or older and meet ONE of the following criteria:**

## Rural or Colonia Resident

- discuss barriers due to location and distance

## Access and Functional Need Individuals

- describe disability challenges to include: deaf, hard of hearing blind, visually impaired

## Other questions related to Emergency Preparedness

**Deadline to Register  
July 30, 2018**

## Community Health Worker or Promotoras

- identify what kind of trainings are most critical to the promotora workforce
- provide input for future training processes and curricula

## Mobility Impairment

- discuss challenges during or following an emergency

**Deadline to Register  
Aug 14, 2018**
