# City of El Paso Begins Recruitment Process for New City Manager

## Residents Invited to Provide Feedback at Open House Events

**El Paso, Texas**—The City of El Paso has begun the selection process for the City Manager position.

The City is preparing to open a national search, which will include the opportunity for local leadership to apply.

In preparation for the search, the City hired a national recruitment firm, Baker Tilly, which will meet with the Mayor and Council members and the public to get a strong foundation on the type of candidates the City should be looking for before hiring the permanent City Manager.

The public is invited to provide their feedback on what are the key characteristics needed to be named City Manager. The community will also be able to learn more about the selection process and next steps.
