

What Are the Issues? Project Needs

No connection across the greenbelt levee between Nathan Bay Drive and Dyer Street requiring motorists travel between four and eight miles to reach the other side.

What Are we Trying to Do? Project Purpose

Improve mobility within the project area & greater region

Proposed Project

- New four-lane bridge over Greenbelt levee and channel
 - Roadway approaches
 - Pedestrian and bicycle accommodations
 - Aesthetic lighting
 - Drainage
 - Roadway illumination
 - Pedestrian shade canopies
