EXECUTIVE SUMMARY

The Citizen Participation Plan (The Plan) provides a guide for citizens and citizen organizations to participate in an advisory role in planning, implementing and assessing the Community Development Block Grant, Emergency Solutions Grants, Housing Opportunities for Persons with AIDS (HOPWA), and HOME Investment Partnerships Programs

The Plan describes procedures by which each of the requirements of the program will be carried out. Additionally, the Plan sets forth how citizens may participate in the development of the program. Any amendments to the Citizen Participation Plan will be subject to all provisions within this Citizen Participation Plan.

At a minimum, citizens shall have an opportunity to submit comments and proposals regarding the program in the following manner:

- Directly to the Department of Community and Human Development;
- At formal Public Hearings; and
- At community engagement events and town hall forums during the Community Needs Assessment planning process.

The Citizen Participation Plan is available in English and Spanish at no charge at the Department of Community and Human Development (DCHD), 801 Texas Avenue, El Paso, Texas, 79901; a digital copy at the City's public libraries, and printed copies may be made available to the public upon request. The Plan is also available on the City's website (<http://www.elpasotexas.gov/community-and-human-development>).

The Plan process centers equity by actively involving people who have been historically underserved, marginalized, and adversely affected by inequality by prioritizing their needs throughout planning and implementation. This is carried out through the Community Needs Assessment process that starts at the beginning of each funding cycle.

The City of El Paso is committed to compliance with the Americans with Disabilities Act (ADA). Reasonable modifications and equal access to communication will be provided upon request. The City of El Paso does not discriminate on the basis of disability in the admission or access to, or treatment or employment in, its programs and activities.

Citizens are encouraged to obtain copies of the Citizen Participation Plan in order to more effectively participate in the Program.

COMMUNITY NEEDS ASSESSMENT

The Community Needs assessment serves as the starting point in addressing community vulnerabilities. Each September, at the beginning of each entitlement funding cycle, DCHD will launch the Community Needs Assessment process. The purpose of the Community Needs Assessment is to obtain citizen's views regarding housing and community development needs and proposed activities that support identified community vulnerabilities. This process will be lead by the DCHD Civic Empowerment team. The DCHD Civic Empowerment team's primary objective is to advance equity and improve community outcomes through equitable programming volunteerism, and education designed to empower residents and strengthen their relationship with local government.

The City of El Paso creates opportunities for innovation and collaboration through strategic partnerships which have been demonstrated throughout our Communities of Excellence Initiative. Communities of Excellence (COE) is a formalized group of community organizations, across key sectors that take a systemic approach to improving overall community performance through collaboration and partnerships. The COE is an essential part of the planning process because it allows for businesses, organizations, and governments to collaborate more successfully across sectors, and align their strategic priorities more effectively. The Community Needs

Assessment will consist of a combination of surveys and focus groups from organizations representing the following categories:

- Equity + Inclusion
- Housing +Homelessness
- Family Stability
- Health and Wellbeing
- Food Security

Community Roundtables: The Civic Empowerment team will lead the Community Needs Assessment by hosting a series of roundtables across the 5 categories listed above. COE Stakeholders, Neighborhood Associations and members of the public will be invited to attend. DCHD to provide the community with a list of potential projects or actions that could be pursued over a period of years in order to address community vulnerabilities.

Perceptions Assessment: Civic Empowerment will assess perceptions by engaging COE Stakeholders, Neighborhood Associations and members of the public by conducting formal stakeholder input sessions. This method allows us to capture stakeholder feedback collected from stakeholders in 12 different categories, ranging from leadership and strategy, health and wellbeing, infrastructure and environment, and economy and society. Participants will be asked to assess whether the input is an area of strength or if it's an area of improvement.

Presentation of Findings: DCHD will then present the findings, comments, and proposed activities to the Community Needs Advisory Committee for comment and input that will inform priority needs to be addressed in the annual action plan.

The Committee shall not create subcommittees to review the proposals received. Residents, neighborhood associations, organizations, City Departments, etc. that submitted proposals will be invited to appear before the CNAC to briefly explain and justify the purpose and need for their program/project.
- **Presentation of Draft Annual Action Plan to City Council.** During the sixth step of the Annual Action Plan development, DCHD staff, in conjunction with its technical advisory panels, consolidates its recommendations and prepares a final budget recommendation that is presented to City Council. If the CNAC concurs with the DCHD staff recommendation, a consensus budget recommendation will be submitted to City Council. If the CNAC Committee disagrees with any part of the DCHD staff recommendation, DCHD staff will ensure that members' comments are shared with Council. The City Council will review the recommended budget(s) and subsequently a Draft Annual Action Plan will be made available for public comment for a period of 30 days. This Draft Annual Action Plan will be published in English and Spanish in a local newspaper of general circulation to afford residents and organizations an opportunity to examine its content and to submit comments to the City. Any comments received will be reviewed and City Council may, at its option, modify the Annual Action Plan subsequent to its publication and prior to adopting a final Annual Action Plan.
- **Public Hearing on Proposed Annual Action Plan.** During the seventh and final step, City Council will review comments received since publication of the Draft Annual Action Plan and formulate its final Annual Action Plan. This Final Annual Action Plan will be introduced at a public hearing at which residents will have the opportunity to comment on the proposed activities in the budget as well as program performance and needs. Upon completion of the public hearing, the City Council will vote to adopt a Final Annual Action Plan based upon budget recommendations and comments presented to the Council. PROGRAM IMPLEMENTATION + AMENDMENTS

Upon approval of the final Annual Action Plan, DCHD shall be responsible for initiating and monitoring the implementation of the proposed activities contained in the budget in accordance with the stated objectives. Day-to-day operational decisions and actions necessary to ensure implementation of projects shall be the function of DCHD. However, upon request, the CNAC will be advised of the status and progress of physical projects throughout the year.

ASSESSMENT OF PERFORMANCE

- **Public Hearings on Performance and Comment Process:** Citizens are encouraged to comment on the performance of the City's DCHD Program and the extent to which project activities achieved their objectives. Comments, inquiries and complaints may be submitted to the DCHD office or City Council member. It is the responsibility of any City Council member to forward the comments, inquiries, and complaints received to the DCHD staff for a written response. DCHD staff will respond to inquiries and comments received as expeditiously as possible. Verbal complaints shall be transcribed by the DCHD staff and an appropriate response provided. Written complaints will be responded to in writing by the DCHD office within fifteen (15) working days of their receipt. Citizen comments, inquiries and complaints may also be presented at public hearings or at CNAC meetings (an opportunity for citizen comment is regularly included on the agenda). As stated previously, each year a public hearing on program performance and needs is conducted at a regularly scheduled City Council meeting specifically held to solicit citizen comments on approved activities as well as proposed activities.

DCHD staff will review all comments, complaints and suggestions received in assessing program performance and the extent to which projects and activities achieved their objectives. The results of these

assessments will be taken into consideration in the planning and selection of future projects and activities proposed for Community Development funding.

- **Performance Reporting:** DCHD annually prepares a Consolidated Annual Performance and Evaluation Report (CAPER) that includes:
 - Activity Summary
 - Status of Funds
 - Direct Benefit Activities
 - Actions to Affirmatively Further Fair Housing (AFFH)
 - Anti-displacement

This report also contains an assessment by DCHD of the relationship of the use of Community Development Block Grant funds to the Community Development Objectives described in the final Annual Action Plan.

Upon completion of the CAPER, it is forwarded to the Area Office of the U.S. Department of HUD. Simultaneously, a Public Notice in English and Spanish shall be placed in a newspaper of general circulation and the City's web site making the Report available to citizens. It is available at no charge upon request at the Office of DCHD, and a digital copy will be made available at the City's public libraries.
