WHY: At the direction of the City Council, the City of El Paso is pursuing the development of a Study Area Plan that provides development design guidelines and land use recommendations for Alameda Avenue. The Alameda Corridor Land Use Study area extends from Boone Street to the intersection at Americas Avenue. The primary purpose of this study is to guide the creation of an implementation plan, provide a timeline and policy options. These community meetings will provide various opportunities to share current information available and will seek public comments. All interested individuals are encouraged to participate.

For more information, the public can call 541-4723 or 541-4730
