Official Weekly Newsletter for the 2005 El Paso Regional Economic Summit

August 12, 2005

**AUGUST 17-18, 2005
8:00 A.M. TO 12:00 P.M.
JUDSON F. WILLIAMS CONVENTION CENTER**

This is an exciting time for our Borderland region! The **2005 EL PASO REGIONAL ECONOMIC SUMMIT** is only the beginning—not the “end all” solution. At this Summit, governmental, business and community leaders from throughout the region will come together to target goals regarding manufacturing, medical, military, next generation economy, tourism and transportation. Once the input has been generated, I will create advisory cabinets that will be charged to pursue and accomplish the targeted directives. Enclosed in this information packet are summaries on these issues for your perusal.

Enjoy this time we have together as a tri-state community; and let’s use this opportunity to unite our efforts for the betterment of the entire region.

Sincerely,

John F. Cook
Mayor of El Paso
