H. Mayor John Cook and Mrs. Cook:

La Posada Home, Inc. recently received your donation of food and an invaluable donation: your time and attention. We are extremely grateful for your magnanimous gift to our cause.

La Posada is a transitional-living shelter for abused, abandoned, and homeless families and their children. Its goal is to assist them in reestablishing their self-confidence and ability to become self-reliant on their way to independence. Being a nonprofit organization, it relies on the generous contributions by individuals and organizations like you to help its cause. The residents enjoyed greatly your visit and the meal you graciously cooked for them. It made them feel appreciated.

Last year La Posada Home was able to provide families with counseling, educational and professional prospects, and recreational opportunities. We are proud to inform our supporters that all of our residents are attending school and 75% of them are also working. We would also like to inform you that 51 of our residents acquired some form of permanent housing.

We are extremely grateful for your assistance. La Posada Home thanks you for your time and consideration.

Sincerely,

Monica Almuina
Executive Director
