

# GET A LOAN THAT FITS

## DON'T BORROW TROUBLE

Fast Cash is the Wrong Path. Don't let quick and easy offers take you in the wrong direction. Many businesses offer quick, hassle-free access to money and other things you want. But what they're not telling you is just how much this convenience is going to cost you. The excessive fees and interest rates they charge will eat up your hard-earned cash.

Made Possible by Freddie Mac®

Don't Borrow Trouble El Paso is a partnership of local organizations working to educate and empower El Pasoans on the consequences of high cost loans.

2-1-1 Texas is a program of the Texas Health and Human Services Commission in collaboration with the El Paso City-County Health and Environmental District.
