Notice: A. This permit becomes null and void if work or construction authorized is not commenced and inspections called for and obtained within 6 months, or if construction or work is suspended or abandoned for a period of 6 months at any time after work is commenced.

B. Separate Permits are required for electrical , mechanical and / or plumbing.

AFFIDAVIT:

I hereby certify that I have read and examined this application and know the same to be true and correct. All Provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other federal, state or local law regulating construction or the performance of construction. I also hereby certify that the information on the site plan is true and correct and that all known easements have been properly shown. I also understand that I am required by city ordinance to notify a Texas "one call" system before starting any excavation or digging work.
