

Foreign Trade Zone #68 (FTZ)

Benefits:

- Improved Cash Flow and Profitability
- Goods bound for U.S. markets are not liable for duties until they are exported.
- Quota restrictions do not apply in a FTZ.
- Goods exported from the FTZ outside the U.S. are not liable for any U.S. customs duties.
- Foreign goods in a trade zone are exempt from local ad valorem taxes.
- No duty on waste.
- Reduced bond and brokerage costs.

Eligibility Criteria:

- Any person or firm involved in the utilization of goods crossing the international border bound for either U.S. commerce or international trade markets.

Procedure:

- Requires activation by the user
- All applicable requirements for activation will be discussed during pre-activation meeting
- Please visit <http://www.elpasointernationalairport.com/ftz.html> for more details.
