

First Time Homebuyer Program

Are you struggling in buying your first home?

The Department of Community and Human Development's First Time Homebuyer Program can help a family of 4 making less than \$34,500 a year, qualify to buy a home. Fill out an application today!

For more information contact the City of El Paso's Housing Division:
541-4639 or www.elpasotexas.gov/commdev/homebuyers.asp

Single Family Housing Rehabilitation

Is your home in need of essential repairs?

If your home is in need of rehabilitation, the Department of Community and Human Development Housing Division has low-cost loans that are available to families with low or moderate income levels. The loans, for the amounts up to \$34,000 can be repaid over 30 years and interest rates will depend on the client's annual income. Fill out an application today!

For more information contact the City of El Paso's Housing Division:
541-4639 or www.elpasotexas.gov/commdev/single_family.asp

Owner with Disabilities Grant

Are you disabled and need some modifications in your home to better assist you?

For people with disabilities, the Department of Community and Human Development Housing Division offers grants of up to \$3,000 to install equipment or make construction changes to help someone in the home who has a disability. These grants are also available to assist the fragile and elderly. Fill out an application today!
