

Leadership

Ben Fyffe Museums & Cultural Affairs Department

Ben is a leader in taking on and supporting department sponsored programming whether it is his responsibility or that of others. He is careful and mindful in his decision making and nurtures the strengths of others. Ben is always ready to share his knowledge with others and is sought out by peers in the national, regional and local arena. He is sought out for his expertise, generosity and enthusiasm. He is committed to the education and fostering of our youth and educators.

He assumes many department-wide roles. He manages the Community Arts program. He manages the summer music concert series, which has included a 4th of July fireworks spectacular for the past two years. He assists with technology coordination for web migration. Most recently, Ben provided professional and technical assistance to the History Museum.
