

CITY OF EL PASO

Neighborhood Traffic Management Program Neighborhood Association Application

Complete and submit to: City of El Paso, Traffic Engineering Division
#2 Civic Center Plaza, 6th Floor
El Paso, Texas 79901

Neighborhood Association/ Watch Name

Contact person (President, Block captain)

Address

Daytime phone #

Date

Street/location of traffic concern

Specific type of concern (i.e. speeding, cut-through traffic, accidents, etc.)
Please describe in as much detail as possible, including day and time of incidents. Additional sheets may be attached if necessary.

We understand that the program decisions are made at the discretion of the City of El Paso's Traffic Engineering Division, in accordance with established criteria, applicable engineering standards, and the availability of funding.

A volunteer Traffic Calming Committee (TCC) will be selected by the Neighborhood Association to assist in development of a neighborhood traffic management plan, and to assist with public meetings to present and approve the plan.

CITY OF EL PASO

Neighborhood Traffic Management Program Neighborhood Association Application

Requests for physical measures (such as speed humps, traffic circles, bulb-outs, etc.) require the submittal of the attached petition with signatures of a minimum of ten residents (at least 18 years of age) from separate households within in the affected neighborhood boundary area.
