**JOHN F. COOK**  
MAYOR

January 2006

Dear Potential Sponsor:

Through the leadership of Kinder Morgan and in conjunction with The Miracle League (the only organized baseball league for children with disabilities in El Paso), I have launched the **Mayor's Miracle Challenge** in an effort to raise funds to benefit the completion of the Miracle League project at Ponder Park.

The Miracle League Project is a specially designed baseball field that will allow children with mental and/or physical challenges the recreational opportunities not otherwise available to them. Construction of the field requires a custom designed synthetic turf that accommodates wheelchairs and other assistive devices. The specialized design, as well as other improvements to the existing field at Ponder Park, will provide accessibility for persons with disabilities and help prevent injuries. Please visit [www.miracleleagueofelpaso.org](http://www.miracleleagueofelpaso.org) for more information about this very worthwhile project and consider becoming a sponsor.

Kinder Morgan has begun the challenge by becoming an Angel Donor and contributing \$25,000. I challenge the business community to follow Kinder Morgan's lead in this charitable venture and I hope to see your company on the list among those who support this worthwhile project. The Mayor's Miracle Challenge will run from January 23 to April 21, 2006.

Please mail checks or money orders, made out to "Miracle League of El Paso", to:
