

SmartCode OnSite

SmartCode OnSite Workshop

Main Library, 501 North Oregon El Paso, TX 79901

P(915)543-5401/F(915)543-5555 / www.elpasotexas.gov

Conducted by PlaceMakers, LLC in coordination with the City of El Paso.

COURSE OVERVIEW

Consultants from PlaceMakers, LLC will illustrate the flexibility of development the SmartCode provides for creating neighborhoods with a sense of place. The SmartCode is an alternative to conventional codes and can be adopted by cities in order to encourage smart growth. The key tools in understanding this process will be discussed, as well as examples of placemaking in other cities and regions.

COURSE INFORMATION

The free SmartCode OnSite workshop, conducted by PlaceMakers, LLC, will be held on **Friday, January 11, 2008** from 8:30 a.m. to 4:00 p.m. at the Main Library located at 501 North Oregon Street. Lunch will be on your own.

REGISTRATION

If interested, please RSVP by Wednesday, January 2, 2008. contact Melissa at 915-541-4730 or Frank at 915-541-4238.
