*Project WILD is a multi-disciplinary curriculum that emphasizes awareness, appreciation and understanding of wildlife and natural resources.*

Project WILD is the most widely accepted and popular wildlife education program nationally. Texas Parks and Wildlife Department is the administrative coordinator for this program in Texas.

This resource is only available through attendance at a Project WILD workshop. Workshop participants receive the Project WILD manual full of 120 activities. The curriculum is suitable for grades K –12 and aligned to the TEKS. Participants receive 6 hours of SBEC and TEEAC credit.

**There is no fee for this workshop.**  
***Please note there will be a brown bag lunch break.***  
**Refrigerator and microwave oven available on site.**

Come ready to learn, play and “get WILD!”

Please pre-register for all workshops with the facilitator
