

Statement of Need

In the planning and development of the recreation and aquatic programs for the City of El Paso, it was found that there are populations that require special attention. To help address those needs, the El Paso Parks and Recreation Foundation was created. **The City Parks and Recreation Department and the El Paso Parks and Recreation Foundation actively work to fill the recreational needs of the disadvantaged children in El Paso** by partnering with schools, non-profit organizations and local foundations. The collaborative efforts have and will result in cost effective and unduplicated opportunities to introduce children to the world of recreation and all its lifelong benefits.

The El Paso Parks and Recreation Foundation, in conjunction with the El Paso Parks and Recreation Department (PARD), is requesting your help in providing scholarship support for the needy youth of El Paso.

A gift of \$100 will provide 80 children with the opportunity to swim in one of PARD's 15 public swimming pools (9 year round indoor and 6 outdoor) in an exciting supervised environment while at the same time providing a safe haven for our youth.

Other gift opportunities, which will also provide benefits to our El Paso youth, are listed to the right. Your gift will assist

in enhancing the lives of thousands of youth by allowing them to participate in the El Paso Parks and Recreation Department's "Club Rec"; Aquatics; or "Youth in Sports" programs.
