

# EL PASO MASS TRANSIT DEPARTMENT

## TRANSIT BOARD ACTION

DATE	REFERENCE NO.	SUBJECT:	ITEM NO:
7-14-09	09-78	Discussion on naming of New Transfer Centers	4

### BACKGROUND:

On the agenda today is discussion and action on the naming of the five New Transfer Centers. (Sun Metro -Jay Banasiak, 533-1220)

### NAMING OF THE FIVE NEW TRANSFER CENTERS

Starting this September and concluding in 2011, Sun Metro will be opening five new transfer centers throughout El Paso. In order to show consistency in naming the new centers, and yet clearly depict a regional aspect to each location, the following names have been proposed for each center:

- Santa Fe Downtown Transfer Center – 602 Santa Fe
- Westside Transfer Center – 7535 Remcon Circle
- Mission Valley Transfer Center – 9051 Alameda
- Glory Road Transfer Center – 100 E. Glory Rd
- Northeast Transfer Center – 9350 Dyer

Regarding the Westside Transfer Center (WTC), the Citizen's Advisory Committee recommended naming the WTC after Al Jefferson, a long time transit advocate. The CAC vote was 4-3 in favor of the recommendation. There is no set protocol in naming transfer centers.

Of the four current transfer centers in operation now, only one is named after an individual, the "Robert E. McKee Five Points Transit Terminal". Mr. McKee was instrumental in developing the Five Points area as well as champion of the underprivileged.

### RECOMMENDATION:

It is therefore recommended that the Mass Transit Department Board recommend the naming of the transfer centers as proposed.
