2510 N. SAINT VRAIN STREET

6:00 PM

The City of El Paso's Capital Improvement Department, in conjunction with the office of City Representative Peter Svarzbein of District 1, invites you to another community meeting to learn about repairs which need to the mountain slopes surrounding Tom Lea Park.

The park is located 900 Rim Road. The repairs will stabilize the slopes at the southernmost end of the park overlooking Schuster Avenue. The stabilization project may incorporate a public art component.

This project is part of the City of El Paso's commitment to public safety and maintaining city facilities. This meeting is scheduled to afford the public one more opportunity to learn about the project before the work commences.
