The City of El Paso's Capital Improvement Department in conjunction with the Office of City Representative Cissy Lizarraga, District 8, invites you to a community meeting designed to capture public input on what park improvements should be made to the Modesto Gomez Park, located at 4600 Edna Avenue.

At the meeting, City Staff will provide an overview of the various improvement options available, and will seek ideas and input from the public for the design of the park.

Some of the amenities and services that this park will receive include:

- Re-grading of fields
- Installation of sod
- Repair and replacement of irrigation
- Re-adjustment of light poles
- Restroom renovations
- Parking lot improvements
- Playground update to current standards
- Trees and a canopy for the playground

With participation from the public, the City of El Paso will be able to design and construct a park project that truly meets the needs of the neighborhood and that you can be proud of.

This project is part of the City of El Paso's commitment to enhance the quality of life for residents, businesses and visitors.
