COMMUNITY MEETING

WEDNESDAY, MAY 15, 2019

COTTON PATCH CONFERENCE ROOM AT MSC

7968 SAN PAULO ROAD

6:00 PM

In conjunction with the office of City Representative Henry Rivera of District 7, the City of El Paso's Capital Improvement Department and the Streets and Maintenance Department has scheduled a community meeting to discuss traffic calming improvements for **Mauer Road** from **North Loop Drive** to **Yarbrough Drive**.

This project is part of the City of El Paso's Neighborhood Traffic Management Program (NTMP), which was adopted by City Council in order to evaluate traffic concerns, determine appropriate traffic calming measures and implement these improvements in residential areas.

Through the NTMP's efforts, the City of El Paso identified traffic concerns along Mauer Drive, and members of the public are invited to the community meeting to learn more about the design of the project, which was developed from the previous community meeting that occurred on **March 27, 2018**.

This project is part of the City of El Paso's commitment to improve our comprehensive regional transportation system.
