- WHO:** City of El Paso
- WHEN:** **1 p.m. to 3 p.m. on Thursday, June 13, 2019**
- WHERE:** **Cohen site, 9700 Gateway North Boulevard, access parking via Cohen Avenue**
- WHAT:** **Photo Op**
- WHY:** Cohen is being converted into a vibrant retail and recreation destination with a thriving open public space that will attract sports aficionados, families, business travelers and outdoor enthusiasts. The master plan for the 48-acre site was developed as part of an extensive public outreach process.

The leveling of the building is wrapping up. The next phase will consist of removing the steel structures that held up the canopy, the concrete sections of the stadium, and clearing of the site. Demolition activities to include on-site preparations began in May, and are scheduled to be completed this summer.
