## **Free Window and Restoration Workshop**

**EL PASO, Texas** – The Historic Preservation Office will be conducting a free wood workshop to inform homeowners on how to maintain and preserve windows in historic buildings.

The workshop will be conducted by Brent Hull, owner and founder of Hull Millwork. Attendees will learn the terminology, tools, and techniques behind stripping, refinishing, and re-glazing windows, as well as the importance of saving traditional wooden windows.

Mr. Hull has offered this workshop throughout Texas, and it is an honor that he is bringing his talent to El Paso for the first time.

The workshops will take place from 6:00 p.m. to 8:30 p.m. at the El Paso History Museum (510 N. Santa Fe St) on Thursday, February 20, and **9:00 a.m. to 11:30 a.m.** at Memorial Park Resource Center (3105 Grant Ave) on Saturday, February 22.

Register at [velazquezpx@elpasotexas.gov](mailto:velazquezpx@elpasotexas.gov). The workshops are free and open to the public, but space is limited.
