

## City of El Paso Mail Room Operations

Located in the basement the Mulligan Building at 218 N. Campbell since March 2014, we continue to serve City departments with a variety of mailing services

### SMART MAILER

Allows mailer to tap into USPS server and verify address before any postage is applied to mail piece.

### COMCOLOR

High capacity color printer

### CONNECT + 2000 METER MACHINE

Meters all types of mail including E-certified and can print personalized messages in color!

### INSERTER

It folds, stuffs, and seals envelopes at an estimated 1 second per envelope!
