EPFD to Hold Promotion Ceremony

EL PASO, Texas – Years of hard work, thousands of hours of study and countless experiences serving the community are only a few of the components behind every rank that an El Paso Firefighter achieves. The El Paso Fire Department will be honoring over 40 firefighters who have recently been promoted. The ceremony will take place on Saturday, December 1st, 2018 at the El Paso Community College Administrative Services Center.

The Firefighters being honored will have their new insignias and rank badges pinned by a designated family member or loved one. At the conclusion of the ceremony, the honorees will renew their Firefighter's Oath.
