EL PASO, Texas – At 2:01 a.m. on Friday, June 8, 2018, the El Paso Fire Department was dispatched to the 1500 block of Golden Hill Terrace after a 911 call reporting a house fire. Units arrived at approximately 2:02 a.m. and began fighting the fire and performing a search for inhabitants. The fire spread to a second house, and additional units were requested by the Incident Commander, making it a Second Alarm fire.

Two occupants safely evacuated with the assistance of Pumper 3. One firefighter sustained a minor injury and was transported to an area hospital and later released.

Estimated damage costs and cause of the fire are, at this time, pending investigation. Fire Investigators were still on the scene as of 10:00a.m. A total of 20 units and 54 firefighters responded to the incident.

The El Paso Fire Department would like to remind the general public that the Fire Prevention Division provides free smoke alarms. An early warning from a smoke alarm can provide valuable time to evacuate during a fire situation. To sign up for the program, please dial 3-1-1 or visit epfire.org
