Good afternoon,

I am reaching out to you because we have not received your Lobby Activity Report that was due between July 1st and July 10th, 2020. I am attaching the needed form, if you have no activity to report, a simple email stating that you had no activity to report will suffice.

Due to the Covid-19 pandemic we are accepting the reports through email as long as it has been notarized.

Please let me know if you have any questions.

Thank you.

Respectfully,

Jennie Chavez
