

The City of El Paso Parks and Recreation Department Day Care and Pre – School Programs

The City of El Paso Parks and Recreation Department offers Day-Care operations and Pre-School programs at two facilities year round in the City for children ages 2-5 from 7:00 a.m. to 6:00 p.m. weekdays. Seasonal opportunities are also available from August to May or the Summer Camp in June and July.

Locations are in west El Paso at Galatzan Recreation Center, 650 Wallenberg Dr. and in northeast El Paso at Veterans Recreation Center, 5301 Salem Dr. The hours of operation are 7:00 a.m. to 6:00 p.m. weekdays except city holidays.

Five domains are taught in writing, math, social studies, science and art along with letters, colors, numbers, shapes, story-time, and music.

Both locations are licensed through the Texas Department of Family and Protective Services with professionally trained, certified, and caring staff to make each child feel welcomed. A variety of programs is offered along with giving an equally great learning experience.

The staff members at Galatzan and Veterans Day Care Centers are trained in early childhood education so they can help each child grow developmentally while also nurturing their growing skills. Both facilities offer a mix of activities during the day to teach different skills, such as singing, dancing, storytelling and outdoor recreational play. The children also learn about colors, numbers, ABC's and socialization skills in a structured setting along with many varied activities to stimulate their mind.

Each center offers a multitude of activities and events that are age appropriate and provide a wholesome and healthy perspective in learning. Although there are no field trips, presenters do come to the Center to invigorate the children on a variety of topics.

Benefits are endless when it comes to recreation and even more so with childcare as both pre-schools have smaller classroom sizes, instructor turnaround is low and families continue to bring in the next generation of children.

El Paso Parks and Recreation Day Care Services

Parks and Recreation Day Care Services

The mission of the Parks and Recreation Day Care Program is to provide instruction and activities in manipulative, dramatic, and imaginative play that will assist in developing the child's intellect, gross and fine motor skills, as well as aid in socialization for children 2-5 yrs. of age.

The two daycares by the City of El Paso Parks and Recreation Department are Child Care Services (CCS) Providers which is a program designated to help qualifying parents with some or all of the program fees. Please contact the centers below at their respective phone numbers for more specific information.
