

# SPRAY PARK RULES

The City of El Paso offers the following rules to make your spray park visit enjoyable and safe. The “spray park” area is defined as the splash pad with its interactive features and the adjacent sidewalks and pavilion. Spray park rules:

- Concrete is slippery when wet. Water shoes are highly recommended
- No Lifeguards on duty. Adult supervision is required
- Avoid drinking the water
- No running or horseplay allowed
- Interact with the Spray ONLY if free of diarrhea or a contagious disease
- No pets allowed
- Do not climb or hang on features
- No glass containers, bicycles, skateboards, or skates
- No food and drinks in the spray area
- Having fun is permissible and highly encouraged

## MAKE A HEALTHY

# SPLASH!

Swallowing water in interactive fountains, splash pads, and spray parks might make you sick.

Germs can get into the water through poop coming out or washing off our bodies.

Swallowing water containing germs can make you sick with diarrhea.

- Water in interactive fountains is typically recycled and might contain germs.
- Water treatments like chlorine don't kill germs instantly.
- Pee in water weakens the germ-killing power of chlorine.

### Keep pee and poop OUT of the water.

#### DO:

• Stay out of the water if you have diarrhea.

• Take bathroom breaks every 60 minutes.

• Check diapers every 30-60 minutes and change diapers away from the water.

#### DON'T:

**DON'T drink the water.**

**DON'T sit on the water jets.**
