EL PASO, Texas – Central Regional Command officers have arrested a 23 –year old man that entered a motel room and attempted to sexually assault the motel room guest. Yesterday morning officers responded to the sexual assault call in progress and found the female victim clutching her 1 year old child inside the motel room. The investigation revealed the victim, lodged by Annunciation at the motel was bathing her child when she saw the offender, a person unknown to her, in the room. The door had been left unlocked so that volunteer workers could freely walk in and out of the room. The offender was told to leave but he surprised the victim by groping her under her clothing and pressed himself onto her in a lewd manner. As volunteers responded to the victim’s screams the offender fled on foot. Officers were directed to the offender’s room where he too was lodged along with his six year old son. The offender was uncooperative with the officers and refused to identify himself. The offender was later positively identified by US Border Patrol officials and his son was turned over to their custody. 23 –year old Tojin Maldonado Francisco was booked into the El Paso County Detention Facility charged with Burglary of Habitation under a \$30,000.
