The Gang Unit is continuing the investigation of a house party that ended early Sunday morning with the arrest of four persons for various charges. Three Hispanic males went to a house party at the 10900 block of Northview. Several party- goers immediately confronted the three men over their race. The three left but were followed outside by several subjects, two of whom were armed with guns with which they threatened two of the victims. Offender Jonathan Oneal also punched one of the victims repeatedly and took personal property from the other victim. A belligerent crowd from the party surrounded the officers and interfered with the investigation resulting in additional arrests. The four offenders were booked into the El Paso County Detention Facility.
