## **Public Health Invites Media to Open House**

Celebrating 12 Years!

**EL PASO, Texas** – The Wizard of Oz has become a part of the American experience and after a dozen years, the Department of Public Health (DPH) has become a part of the City's success. As such, the Department is opening its doors to members of the community in order to share its story as to why "there's no place like DPH."

This year's open house explores the meaningful themes of vision, passion, and courage. These themes are a part of what drives the organization and what has made a difference in El Paso. In addition, the DPH will present this year's Pillars of Public Health awards to collaborative members of the community for their contributions to the mission and vision of the City.

The media is invited to attend the open house and awards ceremony on:

**Thursday, February 6, 2020**  
**3:00 p.m. (Awards Ceremony begins at 4:00 p.m.)**  
**City of El Paso Department of Public Health**  
**5115 El Paso Drive, 79905**

Representatives from various programs will be available for media interviews regarding their programs as well as emerging public health issues. For more information on our programs and services please visit:
