The screenshot shows a PDF viewer interface. At the top, it says "Shared by others > Public Comment Sample · PDF". On the right, there are icons for "1 person", search, download, and "Sign In". Below the header, there are editing tools (comment, highlight, text, link, eraser) and an "Open in Acrobat" button. The main content area displays the title "Public Comment Sample" and a paragraph of Lorem Ipsum text. On the right side, a sign-in modal is open, circled in red. The modal contains the text "Sign in or continue as a guest to comment", a "Sign in" button, and a note "To use all the features like @mention". Below that, it says "OR" and has a text input field with "Test" inside. At the bottom of the modal, there is a "Continue as guest" button and a link to "terms of use".

The screenshot shows the Adobe Acrobat "Create an account" form. The background features three jars of honey. The Adobe Acrobat logo is visible in the bottom left. The form includes the following fields: "Email address", "First name" and "Last name", "Password" (with a visibility toggle), "Date of birth" (with a help icon), "Month" (dropdown menu), "Day" and "Year", and "Country/Region" (dropdown menu with the text "Select a country"). A "Create account" button is located at the bottom right of the form.
