If the registrant is not an individual, an authorized officer or agent of the registrant shall sign the form. A registrant must file a registration schedule for each person from whom he receives compensation or reimbursement. The registration shall be on a form prescribed by the city clerk and shall include:

C. Each registrant shall file a notice of termination within thirty days after the registrant ceases the activity that required registration; however, this will not relieve the registrant of the reporting requirement of <u>Section 2.94.070</u> of this chapter for that reporting period.

D. At the time of registering, a registrant shall pay to the city and the city clerk shall collect an annual registration fee in the amount of one hundred dollars. Effective September 1, 2006, a registrant shall pay to the city and the city clerk shall collect an annual registration fee in the amount set by the budget or other appropriate resolution of the city council, provided, however, that if such fee is not contained in such a resolution as of September 1, 2006, the fee set in this chapter in the amount of one hundred dollars shall continue until such time as the fee is established in the budget or other appropriate resolution of the city council.

E. A registration expires on the last day of the month of filing of the following year.
