Make this into a sentence, using the word "additional funds".																				

EXAMPLE:

Combine these three sentences into one paragraph. This is your response to Proposal Question 21 regarding measurable outcomes. For example: "At least **750 clients** will receive **access to a suitable living environment** through the **availability** of overnight homeless shelter, nutritious meals, GED and job training, and parenting classes. 25% of clients will be moved into transitional or supportive housing, 50% in the GED program will earn GEDs, and 25% will obtain employment. Client questionnaires will track the progress of clients in all aspects of the program, and client satisfaction questionnaires will be used to help the program evolve to better serve clients' needs. **\$358,672** in additional funds will be used to support this program."
