**TABLE 9 - OTHER OBLIGATIONS**

The City has obtained office space, parking facilities, equipment and land through long-term leases and office space through one sublease. The terms and conditions for these leases vary. Some leases have fixed, periodic payments over the lease term, which range between 1-37 years. The City has a variety of variable payment clauses, within its lease arrangements, which include payment increases based on the Consumer Price Index (CPI), variable payments based on usage of the underlying asset, and common area maintenance fees. Components of variable payments that are fixed in substance, are included in the measurement of the lease liability presented in the table below. The outflow of resources recognized as of August 31, 2025 for variable payments not previously included in the measurement of the lease liability are \$95.9 thousand.

The City did not incur expenses for its leasing activities related to lease termination penalties or losses due to impairment. As a lessee, there are currently no agreements that include residual value guarantees, sale-leaseback and lease-leaseback transactions. The City monitors changes in circumstances that require a remeasurement of its leases and will remeasure the lease liability if certain changes occur that are expected to significantly affect the amount of the lease liability. During the current year, the City remeasured several leases as well as terminating two leases within the governmental activities and adjusted the lease payable and its related right-of-use asset by \$910.8 thousand and \$844.1 thousand respectively.

As of August 31, 2025, the principal and interest requirements to maturity for the lease liability are as follows:

A SBITA is a contract that conveys control of the right to use another party's information technology asset such as software. The contract is for a noncancellable period of time and the arrangement is an exchange or exchange-like transaction. This type of transaction creates a subscription liability and a right-to-use asset that must be recognized at the commencement of the term.

The City has entered into APAs to procure governmental services for its constituents. As of the end of this fiscal year, all APAs in which the City was engaged were related to providing services for the operations and/or maintenance of a nonfinancial asset. As per GASB Statement No. 94, all payments made to operators under this type of arrangements were reported as outflows of current resources for the reporting period. As of August 31, 2025, the City reported two APAs with total outflows in the amount of \$9.9 million.

The City owns and operates two landfills located in the East (Clint) and Northeast (McCombs) areas of the City. Closure and post-closure care of the landfills are subject to the requirements of Subtitle D of the Resource Conservation and Recovery Act (P.L. 94/580) and Sections 330.250-256 of Title 30 of the Texas Administrative Code administered by the Texas Commission on Environmental Quality (TCEQ), formerly the Texas Natural Resource Conservation Commission (TNRCC). These regulations require the City to place a final cover on each landfill when it ceases to accept waste and to perform certain maintenance and monitoring functions for 30 years after the closure of each landfill. The estimated total closure and post-closure costs is approximately \$19.0 million as of August 31, 2025, recognized as a liability and computed based on the percentage of landfill capacity used which is approximately 26.8% as of August 31, 2025. The estimated total current cost of closure and post-closure care remaining to be recognized is \$58.4 million.

## TABLE 13 – HOTEL/MOTEL TAX COLLECTIONS

The City levies a Hotel/Motel tax at 7.0 percent of gross room sales: 2.5 percent is allocated for debt service of the Civic Center and 4.5 percent is allocated for tourism and convention activities. On November 6, 2012 the voters of the City authorized the City to provide for the planning, acquisition, establishment, development, construction and financing of a ballpark facility (the "Ballpark"). Pursuant to such election, the City imposes an additional tax on the occupancy of a room in hotels located within the City, at a maximum rate of two percent (2%) of the price paid for a room starting as of January 1, 2013. The additional 2 percent tax may only be used for expenditures relating to the Ballpark and may not be used for any other purpose. The additional 2 percent tax will be imposed until all outstanding bonds and other debt obligations related to the Ballpark are paid in full.

A five-year record of Hotel/Motel tax collections follows:

## TABLE 14 – TAX INCREMENT FINANCING DISTRICTS

On October 31, 2006, the City Council approved the Downtown 2015 Plan (the “Plan”) as an addendum to the City’s comprehensive plan entitled The Plan for El Paso to support community revitalization and infrastructure improvements within the five areas described as redevelopment districts (the “Redevelopment Districts”) in the City’s Plan. On December 19, 2006, the City Council approved an ordinance to create a zone to be known as “Tax Increment Reinvestment Zone No. 5” (“Zone 5”) to promote development or redevelopment in the Redevelopment Districts. The ordinance described the boundaries of Zone 5, created a board of directors for Zone 5 and established a tax increment fund for Zone 5. The ordinance also established that the termination of the Zone was to occur on December 31, 2036, unless terminated earlier as a result of payment in full of all project costs, and the interest accrued on those costs, or as authorized or permitted by law. Zone 5 consists of approximately 306.135 acres of real property.

On May 29, 2012, the City Council approved an ordinance to create a tax increment reinvestment zone known as “Tax Increment Reinvestment Zone No. 6” (“Zone 6”) to promote development and community revitalization and infrastructure improvements in a 67 acre area located around the University Medical Center to spur development in the area that will become the Medical Center of the Americas. The ordinance creating Zone 6 describes the boundaries of Zone 6, created a board of directors for Zone 6 and established a tax increment fund for Zone 6. The ordinance also established that the termination of Zone 6 was to occur on December 31, 2042, unless terminated earlier as a result of payment in full of all project costs, and the interest accrued on those costs, or as authorized or permitted by law. The ordinance was amended in 2014 adding an additional .8692 acres to Zone 6. The second amendment occurred in 2020 adding an additional 595.38 acres to Zone 6. The total acreage in Zone 6 is 663.25.

On December 9, 2014, the City Council approved an ordinance to create a tax increment reinvestment zone known as “Tax Increment Reinvestment Zone No. 7” (“Zone 7”) to promote community revitalization and infrastructure improvements through Transit-Oriented Development for the Sun Metro Northgate Transfer Center covering 30.8 acres. The ordinance creating Zone 7 describes the boundaries of Zone 7, created a board of directors for Zone 7 and established a tax increment fund for Zone 7. The ordinance also established that the termination of Zone 7 was to occur on December 31, 2044, unless terminated earlier as a result of payment in full of all project cost, and the interest accrued on those costs, or as authorized or permitted by law.

On February 28th, 2017 the City Council approved ordinance 018632, to create a tax increment reinvestment zone known as “Tax Increment Reinvestment Zone No. 8” (“Zone 8”) to continue funding the construction of needed public infrastructure and to encourage private development that will yield additional tax revenue to all local taxing jurisdictions. Zone 8 will promote the creation of contained, mixed-use development consisting of destination retail and entertainment. Zone 8 is located in the southern portion of the City, encompassing approximately 42.72 acres. The ordinance creating Zone 8 describes the boundaries of Zone 8, created a board of directors for Zone 8 and established a tax increment fund for Zone 8. The ordinance also establishes that the termination of Zone 8 is to occur on December 31, 2048, unless terminated earlier by subsequent ordinance or at such a time, subsequent to the issuance of tax increment bonds, if any, that all project costs, tax increment bonds, notes and other obligations of Zone 8, and the interest thereon have been paid in full.

On May 16, 2017, the City Council approved an ordinance to create a tax increment reinvestment zone known as “Tax Increment Reinvestment Zone No. 9” (“Zone 9”) to support the development of the Eastside Sports Complex as well as other public spaces and infrastructure covering 788.8 acres. The ordinance creating Zone 9 describes the boundaries of Zone 9, created a board of directors for Zone 9 and established a tax increment fund for Zone 9. The ordinance also establishes that the termination of Zone 9 is to occur on December 31, 2047, unless terminated earlier by subsequent ordinance or at such a time, subsequent to the issuance of tax increment bonds, if any, that all project costs, tax increment bonds, notes and other obligations of Zone 9, and the interest thereon have been paid in full.
