### **City of El Paso, Texas** Notes to the Schedule of Expenditures of Federal and State Awards Year Ended August 31, 2017

#### Notes to Schedule

- 1. The accompanying schedule of expenditures of federal and state awards includes the federal and state award activity of the City of El Paso, Texas (City) under programs of the federal and state government for the year ended August 31, 2017. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the State of Texas *Uniform Grant Management Standards* issued by the Texas Comptroller of Public Accounts. Because the Schedule presents only a selected portion of the operations of the City, it is not intended to and does not present the financial position, changes in net position or cash flows of the City.
- 2. Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following, as applicable, the cost principles in OMB A-87, *Cost Principles for State, Local, and Indian Tribal Governments*, the cost principles contained in Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, or the cost principles contained in the State of Texas *Uniform Grant Management Standards*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on these schedules represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. The City has elected not to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.
- 3. The federal loan programs listed subsequently are administered directly by the City and balances and transactions relating to these programs are included in the City's basic financial statements. Loans outstanding at the beginning of the year are not included in the federal expenditures presented in the schedule, since there are no continuing compliance requirements other than required loan payments. New loans made during the year are included in the federal expenditures presented in the Schedule. The balance of loans outstanding at August 31, 2017, consists of:

			outstanding Balance at
CFDA Number	Program Name	Aug	ust 31, 2017
14.218	Community Development Block Grants/Entitlement Grants	\$	12,334,081
14.239	HOME Investment Partnerships Program		47,603,393
	Total revolving loans	\$	59,937,474

#### Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*

#### **Independent Auditor's Report**

The Honorable Mayor and Members of the City Council City of El Paso, Texas El Paso, Texas

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of El Paso, Texas (City), as of and for the year ended August 31, 2017, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated February 28, 2018, which contained a reference to the report of other auditors. Our report includes a reference to other auditors who audited the financial statements of the El Paso City Firemen and Policemen's Pension Fund, a pension trust fund included in the aggregate remaining fund information, as described in our report on the City's financial statements. This report does not include the results of the other auditor's testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

#### Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

The Honorable Mayor and Members of the City Council City of El Paso, Texas Page 9

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Dallas, Texas February 28, 2018

#### Report on Compliance for Each Major Federal and State Program; Report on Internal Control Over Compliance; Report on Schedule of Expenditures of Federal and State Awards Required by the Uniform Guidance and the State of Texas *Uniform Grant Management Standards*

#### **Independent Auditor's Report**

The Honorable Mayor and Members of the City Council City of El Paso, Texas El Paso, Texas

#### **Report on Compliance for Each Major Federal and State Program**

We have audited the City of El Paso, Texas's (City) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* and State of Texas *Uniform Grant Management Standards* that could have a direct and material effect on each of the City's major federal and state programs for the year ended August 31, 2017. The City's major federal and state programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

The City's basic financial statements include the operations of the El Paso Water Utilities Public Service Board (EPWU), a discretely presented component unit of the City, which received less than \$750,000 in federal and state awards for the year ended February 28, 2017, which are not included in the Schedule during the year ended August 31, 2017. Our audit, described below, did not include the operations of the EPWU because the component unit did not require an audit in accordance with the Uniform Guidance or the State of Texas *Uniform Grant Management Standards*.

#### Management's Responsibility

Management is responsible for compliance with federal and state statutes, regulations, contracts and the terms and conditions of its federal and state awards applicable to its federal and state programs.

The Honorable Mayor and Members of the City Council City of El Paso, Texas Page 11

#### Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the City's major federal and state programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and the State of Texas *Uniform Grant Management Standards*, issued by the Texas Comptroller of Public Accounts. Those standards, the Uniform Guidance and the State of Texas *Uniform Grant Management Standards* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal or state program occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal and state program. However, our audit does not provide a legal determination on the City's compliance.

#### Opinion on Each Major Federal and State Program

In our opinion, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal and state programs for the year ended August 31, 2017.

#### **Report on Internal Control Over Compliance**

Management of the City is s responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the City's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal and state program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal and state program and to test and report on internal control over compliance in accordance with the Uniform Guidance and the State of Texas *Uniform Grant Management Standards*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or state program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or state program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

The Honorable Mayor and Members of the City Council City of El Paso, Texas Page 12

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and the State of Texas *Uniform Grant Management Standards*. Accordingly, this report is not suitable for any other purpose.

#### **Report on Schedule of Expenditures of Federal and State Awards Required by the Uniform Guidance and the State of Texas** *Uniform Grant Management Standards*

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of El Paso, Texas as of and for the year ended August 31, 2017, and the related notes to the financial statements, which collectively comprise the City's basic financial statements. We issued our report thereon dated February 28, 2018, which contained unmodified opinions on those financial statements and a reference to the reports of other auditors. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal and state awards is presented for purposes of additional analysis as required by the Uniform Guidance and the State of Texas Uniform Grant Management Standards and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal and state awards is fairly stated in all material respects in relation to the basic financial statements as a whole.
