**COVID-19 Waiver and Release**

COVID-19 is an extremely contagious virus that spreads easily through person-to-person contact. City of El Paso, County of El Paso, and local health officials recommend Health Guidelines and Protocols to prevent the spread of COVID-19. Contracting COVID-19 can lead to severe illness, personal injury, permanent disability, and death. Use of City of El Paso Parks and Recreation (“EPPARD”) facilities or participation in EPPARD programs could increase the risk of you or your child contracting COVID-19. EPPARD and its staff undertakes every effort to keep our facility clean and disinfected; however as with any public facility, we cannot guarantee that you will be 100% safe from airborne illnesses such as COVID-19 or colds and flu while using EPPARD facilities or participating in its programs.
