El Paso Public Libraries to Host Graduation Ceremony for Career Online High School Students

Who: City of El Paso Public Libraries
What: Adult High School Graduation Ceremony
When: 6 p.m. Thursday, April 24
Where: Mexican American Cultural Center Auditorium
201 W. Franklin Ave.

The City of El Paso Public Libraries will host a graduation ceremony to honor students who completed the Career Online High School Program. The celebration will take place at the newly opened Mexican American Cultural Center, co-located with the Main Public Library.

This year, 18 graduates will receive their accredited high school diplomas through the Smart Horizons Career Online High School, an initiative offered by the El Paso Public Libraries.

Since launching in 2016, the federally accredited program has helped more than 180 adult learners earn their diplomas, with graduates ranging in age from 19 to 74. Many students have gone on to pursue higher education or secure better employment opportunities.

The Career Online High School program, organized by the El Paso Public Libraries, is designed for students who are 19 years of age or older who did not complete high school and are ready to earn a diploma and advance their career or education.
