New Frontier Flight Brings More Travel Options to El Paso

Nonstop Service to Dallas-Fort Worth Launches October 8

EL PASO, Texas—El Paso travelers will soon have another convenient option for reaching Dallas and beyond. Beginning October 8, 2025, Frontier Airlines will launch nonstop service to Dallas Fort Worth International Airport (DFW).

The new service will operate three times a week on Mondays, Wednesdays, and Fridays, offering more flexibility for both business and leisure travelers.

The addition of this service enhances travel connectivity for the region and complements existing flights to the Dallas area. El Paso International Airport currently offers service to DFW through American Airlines and to Dallas Love Field (DAL) via Southwest Airlines. Frontier's entry into the Dallas market brings competitive fares, expanded scheduling options, and more airline choices for passengers.

"Frontier's new service adds valuable competition to the Dallas market, giving our community more flexibility, affordability, and connectivity," said Tony Nevarez, Director of Aviation at El Paso International Airport. "Frontier has been a great partner since 2018, and we're excited to see them grow in El Paso again. We encourage travelers to take advantage of the new route, as community support like this helps us expand future air service."

Frontier Airlines began service in El Paso in March 2018 with flights to Denver and later expanding to include Chicago, Las Vegas, and temporary service to Orlando, San Diego, and Ontario, California.

Flight Details

Route: El Paso (ELP) ↔ Dallas Fort Worth (DFW)

Start Date: October 8, 2025

Frequency: Mondays, Wednesdays, Fridays

To purchase tickets, visit www.flyfrontier.com.
