City to Host Ribbon Cutting for Fire Station No. 15 Renovation Project

Work Funded by the Voter-Approved 2019 Public Safety Bond

WHO: City of El Paso

WHAT: Ribbon Cutting for Fire Station No. 15 Renovations

WHEN: 10:30 a.m. Tuesday, October 7

WHERE: Fire Station No. 15
115 Shorty Ln.

The City of El Paso invites the public to a ribbon-cutting ceremony for the Fire Station No. 15 Renovation project in West El Paso at 115 Shorty Lane.

The approximate \$2.5 million renovation of this fire station is part of the voter-approved 2019 Public Safety Bond, which is helping to enhance our community's emergency and fire response services with all new amenities and services that included:

- Installation of new doors frames, windows, kitchen and furnishings, flooring for the facility
- Replacement and upgrades to the lighting control panel
- New plumbing fixtures and mechanical system including condensing units, air handlers and controllers and exhaust fans
- Restroom and locker room renovations, and construction of new addition for the fire station

The bond program is making a huge impact in the community by providing much-needed resources to renovate existing public safety facilities and construct new ones, such as the Upper Eastside Police Regional Command Center and Fire Station 36.

The fire station improvements are part of the City of El Paso's commitment to maintaining its standing as one of the nation's safest cities by improving public safety operational efficiencies.
