# El Paso Animal Services Hosts Final Free Pet Wellness Clinic of 2025

## Free Vaccines & Microchips at The Shoppes at Solana

**WHAT:** Drive-Thru Pet Wellness Clinic

**WHEN:** 8 to 10 a.m. Sunday, December 7, 2025

**WHERE:** The Shoppes at Solana, 750 Sunland Park Dr.

**COST:** **FREE**

El Paso Animal Services will host its final FREE pet wellness clinic of the year from 8 to 10 a.m. Sunday, December 7, at The Shoppes at Solana. This clinic is part of the department's ongoing effort to expand access to essential pet care and keep more El Paso pets healthy and safe.

This event is made possible through the support of Petco Love and the continued partnership of The Shoppes at Solana, who regularly welcome community events that benefit local pets and shelter pets awaiting homes.

The drive-thru clinic will run on a first-come, first-served basis and is limited to the first 500 pets. To keep the process safe and efficient, pet owners must keep their pets inside their vehicles throughout the clinic. Dogs should arrive on a secure leash, and cats must be placed in a carrier.

All pets will be microchipped in accordance with El Paso City Ordinances. Dogs will receive a parvo/distemper vaccination, while cats will receive a feline viral rhinotracheitis, calicivirus, and panleukopenia (FVRCP) vaccination. Pets must be at least six weeks old to receive vaccines. Rabies vaccines will not be offered at this clinic.

El Paso Animal Services encourages families to take advantage of this final clinic of the year as part of a continued effort to reduce disease outbreaks, strengthen community pet health, and help lost pets find their way home through microchip identification.

For more information about the clinic and future events, visit [EIPasoAnimalServices.org](http://EIPasoAnimalServices.org).
