# El Paso Community Clinic at the Medical Center of the Americas Ready to Open

## Public Invited to Ribbon Cutting for New Health Facility

- WHO:** City of El Paso
- WHAT:** Ribbon-Cutting Ceremony
- WHEN:** 2 p.m. Thursday, April 2, 2026
- WHERE:** El Paso Community Clinic at the Medical Center of the Americas, 4240 Alameda Ave.

The City of El Paso invites the community to celebrate the grand opening of its newest public health clinic in Central El Paso with a ribbon-cutting ceremony.

The approximately \$9 million project includes a new 10,500-square-foot facility designed to expand access to essential health services for the community.

Operated by the City's Department of Public Health, the new clinic is expected to serve approximately 10,000 residents each year and will provide critical services, including:

- HIV Prevention
- Sexual Health Services
- Tuberculosis Diagnosis and Treatment

"This new facility will allow the Department of Public Health to deliver essential clinical services to members of the community who otherwise might not be able to access such care," said Health Director Dr. Veerinder Taneja. "El Paso Community Clinics are vital components of our department, addressing one of the community's greatest needs—access to care. These clinics provide preventative screenings and ensure individuals receive necessary medical treatment."

Funded through an American Rescue Plan Act grant, the project reflects the City of El Paso's continued commitment to supporting a healthy and resilient community.
