El Paso International Airport to Host Advanced Manufacturing District Groundbreaking

Project Marks Major Milestone Toward Building a Regional Hub for Aerospace, Defense and Advanced Manufacturing

- WHO:** El Paso International Airport and Economic and International Development
- WHAT:** Advanced Manufacturing District Groundbreaking
- WHEN:** 9 a.m. Wednesday, May 6, 2026
- WHERE:** Southwest Corner of George Perry Boulevard and Global Reach Drive

El Paso International Airport (ELP), in collaboration with the Economic and International Development Department, invites the public to a groundbreaking ceremony for the Advanced Manufacturing District (AMD).

The ceremony marks the start of construction on the first phase of the AMD, an approximately 250-acre development at the El Paso International Airport, designed to attract high-quality jobs, strengthen the aerospace and defense supply chain, and accelerate innovation across the region.

Phase one will include the development of new multi-tenant and standalone facilities to support small- and medium-sized manufacturers and technology companies.
