City to Host Ceremony Celebrating Renovations to Fire Station No. 24

Project Funded Through Voter-Approved 2019 Public Safety Bond

WHO: City of El Paso
WHAT: Fire Station No. 24 Uncoupling Ceremony
WHEN: 9 a.m. Thursday, June 18, 2026
WHERE: Fire Station No. 24, 1498 Lomaland Drive

The City of El Paso invites the community to attend a ceremony commemorating the completion of renovations to Fire Station No. 24, at 1498 Lomaland Drive in East El Paso.

The \$2.45 million renovation project was funded by the voter-approved 2019 Public Safety Bond Program and modernized the station to better support firefighters, improve operational efficiency, and enhance emergency response capabilities. Renovations included:

- Interior and exterior building improvements
- Replacement of millwork, ceilings, doors, lighting, electrical, and plumbing systems
- Concrete and asphalt repairs and upgrades
- Construction of ADA-compliant sidewalks and ramps
- Installation of a new emergency vehicle bay door
- Information technology system upgrades
- New heating, ventilation, and air conditioning (HVAC) units

“Projects funded through the 2019 Public Safety Bond Program are helping ensure our firefighters have the facilities and resources they need to serve the community effectively,” said Fire Chief Johnathan Killings. “These improvements enhance the daily working environment for our personnel while strengthening our ability to respond quickly and efficiently to emergencies across El Paso.”

The Fire Station No. 24 renovations are part of the City’s ongoing commitment to maintaining high-quality public safety services and investing in infrastructure that supports one of the safest large cities in the nation.
