Residents Invited to Help Shape the Future of El Paso City Parks

City Launches Second Round of Parks Master Plan Community Meetings

EL PASO, Texas—The City of El Paso Parks and Recreation Department is inviting residents to participate in the next phase of the Parks Master Plan, an opportunity to help shape the future of parks, trails, recreation programs, and public spaces across the community.

During the meetings, the department will share what it has learned from the first phase of public engagement, including results from the community survey and feedback gathered from residents. Residents will have the opportunity to provide additional input that will help guide future park improvements, amenities, recreation programming, and long-term investments.

Community participation is an essential part of developing a Parks Master Plan that reflects the needs and priorities of El Paso residents. All residents are encouraged to attend and share their ideas.
