**EL PASO, Texas**—The El Paso Police Department Special Traffic Investigations unit responded to the 400 block of Shadow Mountain during the early hours of Saturday morning to assist with a single-vehicle crash involving a fatality. The preliminary investigation revealed that the Ford Escape was traveling northbound, failed to negotiate the curve, and struck a curb. The collision caused the vehicle to go over a business landscape, where it then struck a metal trash can container and a rock wall of the business and another rock wall. Unfortunately, the driver, identified as Missy Roberta Aguilar, was pronounced dead at the scene. The passengers of the Ford Escape were taken to the hospital with injuries. Vehicles #2 and #3 were both properly parked and struck by debris from the crash. The main contributing factor in this crash is speed. The case remains under investigation.
