EL PASO, Texas — A motorcyclist was seriously injured Saturday night after losing control in Northeast El Paso. Officers from the Special Traffic Investigation Unit responded to assist Northeast Patrol Units with the investigation. Investigators found that at 7:52 P.M., a 22-year-old man was riding a 2019 Suzuki GSX-1300 sport motorcycle on Gateway South. According to witnesses, the man was traveling at a high rate of speed. Officers learned that the 22-year old struck a curb on an on-ramp as he was attempting to enter Interstate U.S. 54 South. After hitting the curb, the motorcyclist was thrown from the motorcycle and landed in a rock embankment. The man was taken to an area hospital with serious injuries and was last listed as stable. No other vehicles or persons were involved in the crash. The preliminary investigation suggests speed as a contributing factor to the crash.
