EL PASO, Texas — Special Traffic Investigations Unit is investigating the city's latest fatality. At approximately 2:34 pm at 3600 E. Yandell and 700 Copia, a collision occurred between a 2011 Chevrolet Avalanche and a 2004 Honda Accord. Special Traffic Investigators learned Mr. Beltran was traveling west on Yandel approaching the intersection of Copia. As he arrived at the corner, he began to make a left turn onto Copia street. At the same time, a 22-year-old male driving a white Avalanche traveling at a high rate of speed entered the intersection, hitting the gray Honda driven by Mr. Beltran. The impact caused the truck to roll over while dragging the Honda with it. The Honda then struck an unoccupied parked vehicle where it came to rest. Fire Medical services transported the 22-year old to a local hospital for his injuries. Beltran died at the scene. This fatality is the 36th fatality as compared to 46 at this same time last year. The Special Traffic Investigations Unit is continuing to investigate the case.
